Savannah, GA 31406

Dear Gary,

Thank you for giving our teams the opportunity to participate in the "JCB" sponsored "Savannah Boys Rule" soccer tournament January 27-28, 2007. We were very grateful to Coastal Georgia Soccer Association for awarding scholarships to these boys. Our boys had a wonderful time in Savannah. We really appreciated the hospitality that was shown to our team that weekend by the people of Savannah, CGSA, and the "Savannah Boys Rule" tournament at the outstanding Chatham County soccer complex. In addition, the tournament as a whole was first class and very well organized. Thank you for providing us with the opportunity to participate in your tournament.

We hope to see all of you again next year and wish CGSA and all its teams good luck in the seasons to come!

Sincerely,

Luma Mufleh
