U6 Games will play: 2 Games starting at 9.05 and 9-35  
(Soccer Complex)

1. The Whistle will be blown to end games not to start games:
- 2 .We have reduced the number of games this season, to 2 games but still maintain 40 minutes of soccer. We feel that the players need a good break in between games; we have introduced a 10 minute break in between, game one and game two.
3. Coaches are still encouraged to coach from inside the play but must not impede the play whatsoever. Direct coaching 1 v 1 is strongly recommended at this age level
4. Maximum 3 Players per team on the field during play  
Players are encouraged to understand just the general perception of the game and to enjoy every minute of it!
5. U8 Rules remain the same a last season, with the exception of the extension of game time to 2 x 25minute halves. I will cover more at the U6 & U8 Meeting.

Gary and I are looking forward to working with you again this season, See you on the pitch!

Yours in the game  
Kind regards Dek
