# Sport1st specialists in UK & USA soccer tours bring you a unique blend of soccer and cultural experiences

The Directors of Sport1st, Dave Lloyd and Dek Smith bring together in excess of 40 years of their extensive knowledge and experiences

in soccer playing, development, and coaching, at club, regional, state, national and international levels.

Both Directors have been jointly responsible for the development, co-ordination, implementation and management of wide ranging soccer initiatives in the UK and the USA, from player development through to coach education programmes, allied to their roles as national coach educators.

Additionally, Dek and Dave have attained the prestigious coaching level of UEFA 'A' Licensed coaches.

Sport1st partnerships with pro-clubs, Everton FC, Tranmere Rovers FC and Wrexham FC, along with our extensive network of tournament and club contacts, allows us to tailor your tour to your specific needs and requirements.

## Accommodation

Sport1st have personally selected your accommodation, with many of the centres being close to key historical and cultural locations, along their own, or access to, extensive sporting and leisure facilities.

## Itinerary

When not playing or training, your itinerary may include the opportunity to visit and explore picturesque seaside towns, bustling city centres, quaint and historic places of interest, or visits to famous soccer stadiums, in addition to, country walks, theme parks and watersports.

## Sport1st's Coaching Team

Each and every team, regardless of it's status, will on arrival at your airport, be appointed your own 'Sport1st Coach', who will enhance the players and coaches experience through the provision of technical and tactical player and team development sessions.

All Sport1st coaches are UEFA qualified, with a minimum of a level 'C' and many being 'A' licence holders, with extensive coaching pedigrees.

**Specialist Tours** Sport1st's extensive network and experience, ensures that we can provide tours designed specifically to our clients requirements and needs, whether this is for:

**Tournament/Competition Tours:** for teams wishing to compete in specific tournaments and events, either as one off programmes, or as part of pre-season for, regional, state or national competitions.

**Development Tours:** designed specifically to integrate with the development needs and programmes of national, state, regional or representative teams. Key features include, pro-coaching sessions and friendly matches against appropriate opposition.

**Club Advancement Tours:** similar to the development tours in composition, but less intensive and aimed at ambitious club sides. Features include, pro-coaching with the emphasis on individual technical, and team tactical development, along with friendly matches against appropriate opposition.
